

Executive Master of Public Health (EMPH)

52 Credits

For Busy Working
Professionals

Friday-only Program
Small Class Size
Rolling Admission

We are here to create
Public Health Specialists

Why EMPH at IUB:

An EMPH degree equips graduates with the skills and knowledge necessary for leadership in Public Health. The curriculum of the EMPH program at IUB emphasizes problem solving, project design, project administration and qualitative and quantitative methods.

Special features of IUB EMPH program:

- ❑ Program flexibility based on the needs of working professionals.
- ❑ Opportunity to publish the thesis paper in IUB's own Journal of Public Health.

- ❑ Cost bearing for paper or poster presentation in international seminars.
- ❑ Small class size and highly reputed faculty members.

Alumni Recommendations:

Hasnain Sabih Nayak

Country Director, HOPE Foundation
for Women and Children of Bangladesh
Session: 2007-08, 3rd Batch

"IUB MPH program has students and faculty from multidisciplinary backgrounds which facilitated sharing of knowledge, skills and experiences."

School of Public Health

Independent University, Bangladesh
www.iub.edu.bd

Shale Ahmed
